DETAILS: On 9/8/82, the Dallas Division instituted a Fraud by Wire (FBW) investigation concerning allegedly fraudulent letters of loan commitment being issued by Dekla International of Dallas, Texas. Information from several sources indicates that the letters of loan commitment are drawn on a bank in Amsterdam, The Netherlands. These allegedly fraudulent financial instruments were being purchased with substantial advance fees and were utilized to finance speculative business ventures through American banks.

One of these commitment letters was signed by Ted Gunderson as President of Dekla International. Mr. Gunderson, a former SAC, is believed to have subsequently resigned as President of Dekla International.

The interview was, therefore, terminated by Mr. Gunderson.

Re: TED L. GUNDERSON, AKA; ET AL, DBA
DEKLA INTERNATIONAL, INC., 9400 CENTRAL
EXPRESSWAY, SUITE 314, DALLAS, TEXAS;
FBW; ITSP; MF; OO: DALLAS

On 9/8/82, the Dallas Division instituted a Fraud by Wire (FBW) investigation concerning allegedly fraudulent letters of loan commitment being issued by Dekla International of Dallas, Texas. Information from several sources in the banking industry indicates that the letters of loan commitment are drawn on a bank in Amsterdam, The Netherlands. These allegedly fraudulent financial instruments were being purchased with substantial advance fees and were utilized to finance speculative business ventures through American banks.

One of these commitment letters was signed by Ted Gunderson as President of Dekla International. Mr. Gunderson, former SAC, is believed to have subsequently resigned as President of Dekla International.

On 9/27/82, Mr. Gunderson voluntarily appeared at the Dallas Office to explain his association with the captioned individuals.

that before he produced the name of one of his sources of information, that the entire text of the interview be maintained in the SAC's safe rather than being in the general files for fear of his own life. He then demanded that the information also be kept secure in Washington, otherwise he was not going to proceed with the information. SAC Thomas C. Kelly then met with Gunderson and after listening to Gunderson's demands, informed Gunderson that he could not give him assurance that the information would be maintained in a safe away from the general files until such time as the file was destroyed (as demanded by Gunderson). The interview was, therefore, terminated by Mr. Gunderson.

On 10/3/82, an interview of [redacted] an established [redacted] in [redacted] Texas, and also an original complainant, indicates that Mr. Gunderson actively participated in an alleged scheme to defraud him in this matter.

b6

b7D

Investigation by the Los Angeles Division indicates that Mr. Gunderson has associated himself with [redacted]

[redacted] and [redacted] (a well known criminal figure in the Los Angeles area). [redacted]

[redacted] as well as the subject of major investigations by local and Federal authorities.

Investigation conducted to date indicates known victims were defrauded out of \$75,000.

On 11/17/82, the Dallas Division obtained the abandoned office records of Dekla International, Inc., [redacted]

b7D

On 12/2/82, USA's Office, DL advised that they would consider prosecution of the subjects including Gunderson, at least for aiding and abetting.

Investigation by the Dallas Division of the Federal Bureau of Investigation (FBI) has determined that during 1980 and early 1981, subject [redacted] his [redacted] and others operated an "Advance Fee" fraud in the Los Angeles, California area. Their company was named Jurane Group Limited (JGL), and they alleged access to millions of dollars of international funding through "Dekla", Algemeine Production Nahdelmaatschappi, represented by [redacted]

ENCLOSURE

[redacted] JGL was to provide funding for large business projects in return for half interest in the business. After joint ventures were drawn up, "Advance Fees" were requested for processing expenses. The subjects had no actual funding available and never arranged any loans. This fraud matter is currently being prosecuted by the Burbank, California local authorities.

b6
b7C

During early 1982, [redacted] moved his operation to Dallas, Texas, and operated under the company names Sass Entertainment, Inc. (SEI), Sass International, Inc. (SII), and Dekla International, Inc. (DII). DII was incorporated on August 5, 1982, with offices located at 9400 North Central Expressway, Suite 314, Dallas, and the [redacted] [redacted] included [redacted] Ted Gunderson (former Special Agent in Charge for the FBI), [redacted]
[redacted]

b6
b7C

Clients developed by these Dallas based companies were told that a source for funding large business loans was through an international trust, referred to as "Unicoop", located in Amsterdam, Holland. The international contact for "Unicoop" was [redacted] who allegedly lent his company name, DII, basically as an export-import company, located at [redacted] telephone number [redacted] [redacted] to [redacted] and associates. The clients were told that limited partnerships had to be drawn up and partnership bank accounts established. Fee consideration agreements and remission letters were then requested from the bank, and the subject company was to supply the source to collateralize each loan. The trustee bank in turn was to issue a Letter of Credit and/or Promissory Note to the lender's European bank, who then would allegedly wire transfer the funds, less remissions, to the borrower's fiduciary bank. The fiduciary bank was to be responsible for disbursing the funds. Although many clients paid "Advance Fees" and contacted their respective banks to receive and disburse the anticipated funding, no loans have been received, contrary to repeated representations that they would. Victim clients with indicated "Advance Fees" paid out, which have never received anticipated funding include:

It is requested that [redacted] doing business as ~~"Dekla"~~, [redacted] be interviewed regarding his association with [redacted] and associates, doing business as Dekla International, Inc., Sass International, Inc., and Sass Entertainment, Inc., 9400 Central Expressway, Suite 314, Dallas, Texas. It is requested that it be determined from [redacted] if he actually received correspondence from subject companies regarding processing large business loans on behalf of individually listed clients, noting that these loan requests total in the millions of dollars, with no collateral required of the clients. It is requested that it be determined if [redacted] has ever finalized any loan request for subject companies, and if not, determine the causes for delay and/or if such loans are actually available or feasible. It is also requested that a representative of the ~~"Unicoop" Financial Department, Mensinge 42, 1083 HB, Amsterdam, Netherlands,~~ be contacted to determine the extent of any dealings with alleged affiliate, [redacted] acting on behalf of subject companies and/or clients. Finally, it is requested that the specific qualifications for funding through "Unicoop" be determined, and if subject companies or individual clients appear to meet these qualifications.

DETAILS: On 9/8/82, the Dallas Division instituted FBW investigation concerning allegedly fraudulent letters of loan commitment being issued by Dekla International of Dallas, Texas. Information from several sources in the banking industry indicates that the letters of loan commitment are drawn on a bank in Amsterdam, the Netherlands. These allegedly fraudulent financial instruments were being purchased with substantial advance fees and were utilized to finance speculative business ventures through American banks.

One of these commitment letters was signed by Ted Gunderson as President of Dekla International. Mr. Gunderson, former SAC, is believed to have subsequently resigned as President of Dekla International.

Memorandum from [redacted] to Mr. Revell
Re: TED L. GUNDERSON

b6
b7C

Mr. Gunderson terminated his interview after SAC, Dallas declined to afford the file in this matter special security. Mr. Gunderson had insisted that the file be maintained in the SAC's safe.

On 10/3/82, interviews of victims in this matter indicate that Mr. Gunderson actively participated in an alleged scheme to defraud them through knowingly making fraudulent misrepresentations.

Investigation conducted to date indicates that seven known victims were knowingly defrauded out of \$91,275.

On 11/17/82, the Dallas Division obtained the abandoned office records of Dekla International, Inc., from the subject's [redacted]. These records constitute documentary evidence of the alleged scheme to defraud.

b7D

On 12/2/82, USA's Office, Dallas advised that they would consider prosecution of the subjects including Gunderson, at least for Aiding and Abetting, Title 18, USC, Section 2 and Fraud by Wire, Title 18, USC, Section 1343.

On 1/2/83, a newspaper article appeared in a local Dallas newspaper concerning Mr. Gunderson and the captioned matter. In the newspaper article, Mr. Gunderson stated that while president of Dekla International, Inc., he knew of no front money being collected from clients. Statements to FBI Dallas by former clients and agreements signed by Mr. Gunderson directly contradict his statement.

A current investigation of [redacted] and others, by the Burbank, California, Police Department indicates that Mr. Gunderson traveled to Mexico on behalf of subject [redacted] in another suspected advance fee fraud scheme. The victims in this scheme paid in excess of \$440,000 in advance fees.

b6
b7C

By letter to the USA, Dallas, dated 1/13/83, Mr. Gunderson has requested an opportunity to furnish a statement to the USA prior to the return of any indictments in this matter. To date, Mr. Gunderson has not furnished a statement to the USA, Dallas. The USA has not responded to the request and does not plan to respond. [redacted] would be afforded an opportunity to appear before the Federal grand jury, Dallas.

b3

Recent investigation indicates that although Mr. Gunderson participated in efforts to locate funding for his clients, through contacts with foreign financial sources, no such funding was ever obtained.

By teletype dated 5/24/83, Dallas advised that investigation is being expedited and this matter will be presented to the USA's Office in Dallas upon completion of a comprehensive prosecutive report.

Firm's operators face grand theft charges

By ADAM DAWSON

Daily News Staff Writer

Grand theft charges were filed Thursday against the operators of a Burbank firm that solicited advanced fees for loans it never made.

David A. Jurgenson and Johanna G. Jurgenson — who are fugitives — operated the Jurane Group Ltd. from Sept. 5, 1980, until January 1981, according to a complaint filed by the Los Angeles District Attorney's office.

The Jurgensons — who also used the names Alan Blair and Linda Blair — claimed to have access to funds in Europe and the Rosicrucian Order.

Neither was true, according to the investigation by the district attorney's major frauds unit and the Burbank Police Department.

The Jurgensons — through word of mouth and loan finders — located people seeking large loans for business developments.

In return for the loan money, the Jurane Group would receive a half-interest in the project. In addition, the Jurgensons or their employees would seek an advanced fee of up to one percent of the loan.

"Twenty-five victims paid \$440,000 in advance fees. No loans were ever arranged and no victims received their advanced money back, contrary to

representations that they would," according to papers filed with the complaint in Los Angeles Municipal Court.

The 11 victims named in the complaint, who lost more than \$200,000, are from all over California. They include condominium developers, movie production companies, construction companies and shopping center developers.

One victim was a participant in the long planned but not built Oakland World Trade Center who was told he would receive \$188 million in funding after an advanced fee of \$52,000 was paid to the Jurane Group.

"After the advance fee was paid the victim maintained frequent contact with the Jurane Group and was continually stalled with representations that the money had been obtained and would be paid imminently," state the court documents.

The money was never forthcoming, according to investigators.

A Daily News story last March disclosed that the Dallas FBI office was investigating former top Los Angeles FBI official, Ted L. Gunderson, who worked for Jurgenson in Texas. That investigation is continuing.

Dallas FBI officials reported Gunderson's role — if any — in the scheme was small.

DETAILS:

On 9/8/82, the Dallas Division instituted a Fraud by Wire (FBW) investigation concerning allegedly fraudulent letters of loan commitment being issued by Dekla International of Dallas, Texas. Information from several sources in the banking industry indicates that the letters of loan commitment are drawn on a bank in Amsterdam, the Netherlands. These allegedly fraudulent financial instruments were being purchased with substantial advance fees and were utilized to finance speculative business ventures through American banks.

One of these commitment letters was signed by Ted Gunderson as President of Dekla International. Mr. Gunderson, a former SAC, subsequently resigned as President of Dekla International.

RE: TED L. GUNDERSON

Based on information received from the Dallas Division, the case against Gunderson appears to be weak inasmuch as Gunderson was an officer in captioned enterprise for only six weeks and it is possible that he was unaware of any fraudulent activities on the part of other subjects.

On 10/26/83, the Dallas Division advised telephonically that at the completion of one remaining interview, the facts of this case would be presented to the U. S. Attorney's Office, Dallas, for prosecutive opinion. Recipients will be kept advised of developments in this case as they occur.

FBI/DOJ

[redacted] to Mr. Revell Memorandum
RE: TED L. GUNDERSON

b6
b7c

The Dallas Division has previously advised FBIHQ that the case against Gunderson appeared to be weak inasmuch as Gunderson was an officer of captioned enterprise for only six weeks, apparently did not receive any proceeds generated by captioned fraud, and possibly was unaware of any fraudulent activities on the part of other subjects.

However, Dallas now advises that a review of all information obtained to date indicates that Gunderson possessed the necessary scienter to make for a prosecutable case. Based upon discussions with the Assistant U. S. Attorney, Northern District of Texas (NDT), it appears that Gunderson will be included along with other captioned subjects as either a principal or aider and abettor in a bill of indictment charging Mail Fraud, Fraud by Wire, and/or Interstate Transportation of Stolen Property. Dallas anticipates that this matter will be presented to the Federal grand jury, NDT, during either February or March, 1984.

Dallas advises that a prosecutive report will be available by mid-January, 1984, and that FBIHQ will be kept advised of pertinent developments in this matter.

Date: 3/5/84

Office: Dallas, Texas

Field Office File #: 196A-1721

Bureau File #: 196-3895

Narrative of Offense:

This investigation was instituted upon receipt of information from an investigator with the Comptroller of Currency, Washington, D. C., on September 8, 1982, that recent activities of two customers of Allied Bank, Dallas, Texas, reflected that a possible "Advance Fee" scheme was being perpetrated in Dallas.

Investigation by the Dallas Division of the Federal Bureau of Investigation (FBI) has determined that during 1980 and early 1981, subject [redacted] and others operated an "Advance Fee" fraud in the Los Angeles, California area. Their company was named JURANE GROUP LIMITED (JGL), and they alleged access to millions of dollars of international funding through "Dekla" Algemeine Production Nahdelmaatschappi, represented by [redacted] from Amsterdam, Netherlands. JGL was to provide funding for large business projects in return for half interest in the business. After joint ventures were drawn up, "Advance Fees" were requested for processing expenses. The subjects had no actual funding available and never arranged any loans. This fraud matter is currently being prosecuted by the Burbank, California local authorities.

b6
b7C

During early 1982, [redacted] moved his operation to Dallas, Texas, and operated under the company names SASS ENTERTAINMENT, INC. (SEI), SASS INTERNATIONAL, INC. (SII), and DEKLA INTERNATIONAL, INC. (DII). DII was incorporated on August 5, 1982, with offices located at 9400 North Central Expressway, Suite 314, Dallas, and the Board of Directors included [redacted] TED GUNDERSON (former Special Agent in Charge for the FBI). [redacted]

b6
b7C

Clients developed by these Dallas based companies were told that a source for funding large business loans was through an international trust, referred to as "Unicoop", located in Amsterdam, Holland. The international contact for "Unicoop" was [redacted] who allegedly lent his company name; DII, basically an export-import company,

to [] and associates. The clients were told that limited partnerships had to be drawn up and partnership bank accounts established. Fee consideration agreements and remission letters were then requested from the bank, and the subject company was to supply the source to collateralize each loan. The trustee bank in turn was to issue a Letter of Credit and/or Promissory Note to the lender's European bank, who then would allegedly wire transfer the funds, less remissions, to the borrower's fiduciary bank. The fiduciary bank was to be responsible for disbursing the funds. Although many clients paid "Advance Fees" and contacted their respective banks to receive and disburse the anticipated funding, no loans have been received, contrary to repeated representations that they would.

b6
b7C

Victim clients of the [] based companies included

[]

b6
b7C

[] The anticipated loans of the victims totalled in the millions, with the clients not required to provide their own collateral.

GUNDERSON initially became involved with this group of individuals during early 1982, when his Los Angeles, California based security and investigative firm contracted to conduct financial and background checks of SEI clients. []

[]

b6
b7C
b7D

[] While in Texas, [] advised GUNDERSON that he would like him to become president of DII and GUNDERSON accepted. GUNDERSON subsequently signed various documents as President of DII. During an FBI interview, GUNDERSON stated that he actually had very limited knowledge about DII and the financial business, but felt that [] and his associates wanted someone with a recognizable name they could use to impress

the public with in operating their companies. However, investigation determined that at the time GUNDERSON was financially broke, and that even prior to accepting the position of President of DII, he had knowledge that subject [REDACTED] had previously been convicted in Federal Court, Lake Charles, Louisiana, for fraud, and that [REDACTED] had other felony charges pending in Dallas County, Texas. GUNDERSON was active in the daily operations of DII, and executed documents in his capacity as President.

b6
b7C

Investigation determined that subject [REDACTED] has an arrest record for theft/fraud offenses, and that his [REDACTED] [REDACTED] was very knowledgeable of, and active in, the company's day to day activities. Subjects [REDACTED] and [REDACTED] were responsible for the daily operations of the companies, and both made numerous misrepresentations to victim clients. [REDACTED] also has an extensive arrest record.

SUBJECTS GUNDERSON AND [REDACTED] SHOULD BE CONSIDERED
ARMED AND DANGEROUS.

PROSECUTIVE STATUS:

1. On December 2, 1982, the facts of this case, as developed to date, were discussed with Assistant United States Attorney (AUSA) [REDACTED] Northern District of Texas (NDT), Dallas, Texas. [REDACTED] advised that upon completion of the investigation, the case should result in successful indictments of several subjects. He stated that it appears that a definite complicity exists among the individual subjects involved in the scheme and that, due to the close association of former FBI official TED GUNDERSON with the group and GUNDERSON's personal contact with the victims, coupled with GUNDERSON's efforts to arrange bank accounts for the payments and disbursements of monies on behalf of the group, it appears that GUNDERSON will quite possibly be considered as at least a defendant under the Aiding and Abetting Statutes.

b6
b7C

[REDACTED] advised that the investigation appears worthwhile and that, based on the investigation conducted to date, there was a far greater probability for successful indictments than not.

b6
b7C

2. On December 13, 1983, [REDACTED] advised that based on investigation, it appears that the FBI has developed about six principals involved in approximately seven indictable counts in violation of either Mail Fraud, Fraud by Wire, Interstate Transportation of Stolen Property, Aiding and Abetting, or combinations thereof. He stated that based on preliminary discussions, it appears that former Special Agent in Charge (SAC) TED L. GUNDERSON would be included as either a principal or be charged with Aiding and Abetting. He requested that a detailed prosecutive report be submitted for review prior to making any final determination regarding GUNDERSON's total involvement. He also requested additional investigation be conducted relative to two of the anticipated counts. He requested the prosecutive report be submitted some time during January or February, 1984.
3. On September 1, 1983, the District Attorney's Office at Los Angeles forwarded a formal request to the U. S. Attorney, Los Angeles, requesting Unlawful Flight to Avoid Prosecution (UFAP) process be issued for subject [REDACTED] and [REDACTED] based upon a compliant filed in local court on August 4, 1983. The U. S. Attorney has requested the FBI to provide an affidavit

PROSECUTIVE STATUS, CONTINUED:

demonstrating probable cause that the [] fled to avoid prosecution noting that they had been extradited out of the district with the concurrence of California authorities. We've also received some information from one of our California offices that a possible victim resides in the Richardson, Texas area that may have been involved in a swindle or advance fee similar type scheme. Now to be perfectly honest with you, there are numerous names that have come up in these initial allegations. I, you being an ex-FBI official you understand that I got this complaint assigned to me just a few days ago and I, to be perfectly honest with you have not had sufficient time to interview all of the known victims at this time.

Known alleged victims.

Known alleged victims, that's correct. So I feel like this interview is somewhat premature but since you did call the office and request that we meet and discuss and you had a, you wished to explain your position with these various companies and individuals that I'd like to talk to you about. We welcomed your call and that's why we're here today. I will be able to tell you at this time that we have information concerning three specific companies, the first one that I'd like to refer to and we'll, don't necessarily have to talk about these in order if you care about them is gonna be Jurane Group Limited, an outfit that was to my knowledge was located in the Los Angeles area at one time. We would like to talk to you about your association with Sass International, Inc., which formerly had an office here in the Dallas area to my knowledge and which eventually changed its name to Dekla International, Inc., and at this point I feel like that based on what I've been told and what I know that Dekla is spelled

D e k l a, is that correct?

TG:

[REDACTED]

Thats right, thats right.

So those are the three companies that have come to your attention. We have names of three alleged victims at this time and your name has come up in connection with each one of those companies and comes up in regards to the company names and the victims involved.

TG:

[REDACTED]

All three victims?

Thats correct sir.

TG:

[REDACTED]

Hm, can you tell me how, how that, my name came up in relation to those three victims?

Okay, I thought we might talk about each one of those separate but in generality the, your name came up in the California investigation as being associated with the members of that group out there and at one point the alleged victim indicated that a

[REDACTED]

TG:

[REDACTED]

Uh-huh.

[REDACTED]

b6
b7C

TG:

[REDACTED]

Uh-huh. Okay.

Your name has also come up in regards to Sass International as possibly being a, associated with that group even in some official capacity and also your name came up in the Dekla investigation as certainly being an officer of that group and at one time I believe president.

TG:

[REDACTED]

Uh-huh.

So thats the jist Mr. Gunderson, a,

TG:

[REDACTED]

Oh, I see.

Why we've been making some inquiry a, I haven't made much inquiry to be honest with you

and I do feel that this interview is somewhat premature in that I'm limited in my scope of the details as to what these alleged victims are alleging, however, as you well know I will conduct those interviews. I have talked to [redacted] to some extent, as you may well know and feel like that I have a fairly good grasp of what his problem is alleged to be. So if you care, I'd like to get into these individually and, and just chat with you.

b6
b7C

TG:

[redacted]

Hm-hm, alright.

If you're willing sir.

TG:

Sure you know I'm more than willing to talk about it thats why I'm here. In regard to the [redacted] did they make any allegations other than the fact that I contacted their bank?

b6
b7C

I believe thats the only allegation that, that has come to a, my attention and if you want to start with the, with that particular allegation I'll be more than happy to get in it with you.

TG:

b6
b7C

Well I can't start, I've got to go back. I think, I have to give you some basic background information that will clearly establish and show you how I became involved with these people. A, and in order to do that let me just, lets start at the beginning. Lets start the last of February, 1982.

Okay, is that when you first came in contact with these a,

TG:

No, no. Thats when a, a client came, did not come to me at that time but an attempt was made on the client's life in Los Angeles. You are aware of course that I retired in a, March, 1979 and then Attorney General Bell and Ben Civiletti hired me to coordinate security for the Pan American Games.

Alright.

TG:

Then after the games which would be a, August, 1979, I went back to LA and opened up my own private investigative and security consulting firm. So I've been doing that ever since. A, last February

DL 196A-1721

b6

Can you give me the name of that company?

TG:

Ted L., Ted L. Gunderson and Associates.

b6
b7C
b7D

DL 196A-1721
6

b6
b7C
b7D

I didn't obviously and I'll explain that in a few minutes. Now in the meantime, going over to [redacted] and his group, I'll come back, I wanted to give you that as a base, so you'll understand my problem. Going over to [redacted]

and his group, a man named [redacted] who I'd never met but talked to on the telephone and [redacted] again who I'd never met but talked to on the telephone,

b6
b7C

What type of time frame are we talking about?

This is January.

Of 82 sir?

January 82, called me in January, late January early February, 82 and said that they were involved, they were from Dallas and involved in international financing. They wanted to utilize my services to check out prospective individuals. People who they, who had come and applied for the loans etc., and specifically they asked for my opinion on it and I said well we, we should check for credit, criminal arrests, lawsuits filed against these people, etc. And these names that they fed to me from January, February on a were names of people from all over the United States.

b6
b7C

Did you agree to provide this service?

Yes. Naturally.

Did they give you a name of the company, sir?

A, I knew the company at that time as Sass International.

You spell that S A

S a s s

S S

Uh-huh, International out of Dallas, Texas. And a, all my contacts were by telephone with them, I, I'd never met them but I'd talked to them on the phone. And a the work as you can tell is a, I didn't have that much of a volume from them, just a few names on and off, so there was not that much money involved, credit, criminal checks are nothing and checking into the court records are nothing. I usually have somebody down there anyway and I utilized a, the services of former, other former retired, other former FBI Agents around the country which

is my source for developing information all over the United States, all over the world, really. A, so I bring that in on a time frame basis so you'll understand. Now this relationship with Sass International continued up until on a telephonic basis up until the first week of July, excuse me, the end of May, excuse me the end of June, correction, till the end of June and about the I'd say about the 20th or 21st of June, I received a phone call from [redacted] who at that time was staying at the Sportsmen's Lodge in San Fernando Valley and [redacted] said that [redacted] would be coming to town July the 3rd and, which is a Saturday and he wanted to talk to me. I said fine, I put the appointment on my calendar, okay?

b6
b7C

Yessir. You never met either one of them personally

[redacted]
TG:

No

again.

[redacted]
TG:

No, talked to them on the phone only.

Alright.

[redacted]
TG:

Now about that time a, [redacted] mentioned that I had done quite a bit of work and they were going to give me a three thousand dollar retainer to work off of. A,

b6
b7C

You had done some work for them and they paid a

b6
b7C

[redacted]
TG:

No they never paid

On a piece basis

[redacted]
TG:

never paid. But I didn't do that much work, another words there was not heavy volume of work, just piecemeal, so to speak. Credit, criminal

When you would conduct these inquiries a, would you reply to them via telephone or U. S. Mail?

[redacted]
TG:

No I gave them, I gave them oral reports

Alright

TG:

And then subsequently then follow them
up with written reports.

[redacted]

In what city?

TG:

Thats Los Angeles, 90024.

Is that an apartment sir?

TG:

It an apartment on the first floor that
you step, there's no hallway, you step right out
into the street.

[redacted]

Did you have an apartment number?

TG:

A, no its just, it looks like a house really,
there's no apartment number.

[redacted]

Okay

TG:

But it is an apartment.

[redacted]

And your landlord's name?

TG:

Is a [redacted] (ph), I'm not sure
how to spell it, and her phone number is

[redacted]

[redacted] is a woman?

SAC THOMAS C. KELLY: Is it on?

[REDACTED]

Yes

This is Tom Kelly speaking to Ted Gunderson. I cannot give you the reassurance that this information will be maintained in a safe away from the general files until such time as we destroy it.

TG:

Alright.

Gunderson advised that since the FBI would not give him total assurance that the information which he was furnishing would be maintained under the strictest security and not eventually be maintained by either the Dallas Office of the FBI Headquarters in their general files, he was terminating the interview. He stated that he was doing so basically due [REDACTED]

Gunderson advised that he was [REDACTED] and that he could be contacted through Dallas telephone number 368-4634 or through his Los Angeles business office.

FEDERAL BUREAU OF INVESTIGATION

Ted L. Gunderson telephonically contacted Special Agent [redacted] and demanded that the information he was about to give be made a part of the file involving him and the Special Agent in Charge (SAC) be made fully aware of the information. Gunderson appeared to be extremely upset during the conversation and he spoke in a very excitable and somewhat disorderly manner. He furnished the following information:

b6
b7C

Gunderson advised that a local female named [redacted] had been talking to Federal Bureau of Investigation (FBI) Agent [redacted] for the past few weeks and that [redacted] had told [redacted] that the FBI was out to get him, Gunderson, and [redacted], that the FBI had been watching them and that the FBI was going to put them both in jail. He stated that [redacted] also told [redacted] that he, Gunderson, had resigned too late from Dekla. He said that he had personally talked to [redacted] this date and that she had been in contact with Special Agent [redacted] as recent as yesterday or possibly today.

b6
b7C

Gunderson advised that on September 29, 1982, [redacted] told [redacted] Texas that the FBI was after him, Gunderson, and that the FBI had referred to him as a con artist and that the FBI was going to do its best to make the information public.

He advised that a friend of his informed him that an Agent with the FBI had told him that he, Gunderson, had been living off of his former FBI reputation, that he had actually been a con artist for years, and that he was a "classic" profile of a con artist. He also stated that the FBI Agent told the friend that he, Gunderson, had "taken" some of the friends own acquaintances on a phony motion picture deal a couple of years ago. Gunderson mentioned the name [redacted] as being involved in the matter. however, he did not go into any other specific detail.

b6
b7C

Gunderson stated that he did not appreciate the FBI Agent's statements about his character and he added that he knew that he was currently associating with two convicted felons but that one of them was responsible for saving his life. He said that the Agent

He again demanded that SAC Kelly reconsider his request that any information he furnished be treated with the utmost security and not be maintained in the FBI general files. He stated that it was imperative that the information not be attributed as having come from him.

Dear [REDACTED]

RE: Our conversation.

We need money!!! I know we can break this case, but I cannot move unless I resolve my financial problems. I am being sued by three individuals, I owe IRS \$11,000.00, thousands to other creditors, and I am filing debtor in possession with the courts this week.

b7D

[REDACTED]
[REDACTED] my business is suffering. [REDACTED]

[REDACTED] involves my investigation of the Mac Donald case. I have worked 1745 hours on this case with no pay. The money that has been sent has only partially covered expenses. At the end of 1980, my expenses were in excess of \$36,000.00, and I received \$30,000.00 in fees. I have borrowed approximately \$12,500.00 from you and Jeff. I don't have an accurate tabulation here of my expenses since 1980, but my phone bills alone have run several thousand dollars.

I will contact Ross Perough in Dallas, and try to get some money from him. If this is successful, I will give him the movie and book rights to the investigation.

We need to handle the following investigation leads:

1. Signed statement from [REDACTED]
[REDACTED]
2. Signed statements from the doctors, psychiatrists, and technician, who treated [REDACTED] at the various hospitals.
3. [REDACTED] and I, should "Hit the Road", locate some of the murderers, and prove that they are real live people. I still feel we should first target [REDACTED]

I have talked to [redacted] Nashville Tennessee Police Department several times and he does not appear to be making attempts to locate [redacted] It appears [redacted] and I, will have to handle this lead.

Jeff recently wrote and said he could only afford 10 days expenses for me on the road. That is like telling an attorney one can only afford a 10 day trial. We are dealing with Jeff's life, there are no short cuts. I don't know how long it will take us to handle the above leads, possibly several months. It all depends on the breaks and the cooperation we receive.

[redacted]
[redacted] He advised that while at SII he met [redacted]
[redacted] and he also believes that Ted L. Gunderson - former Special Agent in Charge of the Federal Bureau of Investigation (FBI) and [redacted] were present on this occasion. [redacted]
[redacted] that SII had sources for large blocks of financing through European contact and through The Rosicrucian Trust. He said that they told him that SII acted as broker for the various clients needing funding for business and investment purposes, and that SII could provide the necessary collateral to back the loans and that the source for the collateral was an individual [redacted] He advised that this individual would earn commission points on the loans. [redacted]

b6

[redacted] Dekla International, Inc. (DII) was a subsidiary of SII and that both companies would form limited partnerships with the clients and would generally split the net profits 50/50. He said that they explained to him that [redacted] was lending his company name, DII, which was an export-import company, and that it was his understanding that DII did not actually have funds to loan, but that the main European source of funds was the "Unicoop Trust", Amsterdam.

[REDACTED]

[REDACTED] He stated that the way [REDACTED] explained their operation was that DII would first deal with the individual clients and decide if the client's package or business venture appeared to be sound.

DL 196A-1721

He said that if everything appeared to be sound from a business standpoint a limited partnership would be drawn up and filed with the Texas Secretary of State. He advised that next the client would be asked to setup a partnership bank account and obtain from the bank a fee consideration agreement and a remission letter. He advised that DII would then supply the collateral, probably in the form of treasury bills, and the bank in turn would issue a letter of credit and/or a promissory note to the lender's European bank who then would wire transfer the funds, less remissions, to the borrower's fiduciary bank which designates disbursements. [redacted] advised that during the time he spent at the offices of DII, the employees appeared to be actively calling possible sources of funds on behalf of the clients. He stated that in addition to the previously mentioned sources for funding, DII also allegedly was working with the Royal Bank of Canada, Toronto, Canada, in an effort to obtain funding.

b6

He advised that officers of DII would frequently meet with local bankers in an effort to setup fiduciary or "trustee" banks to handle the pending loans. He recalled that on one occasion [redacted]

b6

b7D

[redacted] he has never encountered a situation like DII in that the officials always insisted that they had access to treasury bills to be

used as collateral, and who insisted that the reason no loans ever materialized was due to problems with either the lender or the "trustee" bank requirements regarding total commitments prior to any funds actually being transferred. He stated that SII failed to properly notify the Secretary of State's Office when it moved locations, and that to his knowledge DII never paid the \$12 State Business Permit Tax which needs to be paid by brokers or factors or persons who sell for another person valuable considerations; things such as promissory notes, monies or merchandise.

Investigation by the Dallas Division has developed evidence revealing that Gunderson is likely a co-conspirator and aider and abetter of captioned subjects.

In mid-March, 1984, a prosecutive report prepared by the Dallas Division regarding this matter was presented to the Assistant U. S. Attorney for the Northern District of Texas (AUSA, NDT). Following his review of the report, AUSA, NDT, advised that he would seek indictment of subjects for Fraud by Wire, Mail Fraud, and possibly Interstate Transportation of Stolen Property.

The Dallas Division advised on December 7th, 1984, that the AUSA, NDT has taken no additional steps toward prosecution in this matter since the summer of 1984. The AUSA has asked for no additional investigation and has advised that he is engaged in matters of greater priority at this time. However, the AUSA has advised that Gunderson will be prosecuted.

[redacted] to Mr. Revell Memorandum
RE: TED L. GUNDERSON

During the week of February 4, 1985, a meeting was held between the Dallas Division and the United States Attorney (USA), Northern District of Texas (NDT), in an effort to resolve this case. The USA had this investigation reassigned to an Assistant United States Attorney (AUSA) whose workload was not as heavy as the prior AUSA; however, it was pointed out at this meeting that no prosecution would be undertaken or final prosecutive decision made for approximately two months because of the current workload in the NDT. The current AUSA did indicate to the Dallas Division that the case appeared to merit prosecution.

DETAILS: In September, 1982, the Dallas Division instituted a Fraud by Wire investigation into allegations that fraudulent letters of commitment were being issued through Dekla International of Dallas, Texas to finance speculative business ventures in the United States with overseas loans. These letters of credit were allegedly drawn on a bank in Amsterdam, The Netherlands and were obtained by paying advance fees to Dekla. No funding was ever obtained and seven victims lost approximately \$91,000.

[redacted] to Mr. Revell Memorandum
RE: TED L. GUNDERSON, AKA TED GUNDERSON; ALLEN BLAIR

One of the commitment letters was signed by Ted Gunderson as president of Dekla International. Mr. Gunderson, a former SAC, was the acting president for approximately six weeks.

Investigation indicated that Gunderson participated in efforts to locate funding for clients through contacts with foreign financial sources, but no actual funding was ever obtained. It has been opined that Gunderson had been hired as a "front" to legitimize the operation. The Dallas Division advised FBIHQ in December, 1983, that the case against Gunderson appeared to be weak inasmuch as Gunderson was an officer of the enterprise for only six weeks, apparently did not receive any proceeds generated by the captioned fraud and possibly was unaware of any fraudulent activities on the part of other subjects.

On 6/14/85, [redacted] United States Attorney (USA) for the Northern District of Texas (NDT) forwarded a letter to the Dallas Division advising that, due to the amount of the loss, the relative weakness of the prosecutive evidence and the related strength of the defenses available, no prosecution would be undertaken against former SAC Gunderson. (It is to be noted that Friday, 6/14/85, was [redacted] final day as United States Attorney.)
